

LOW COST DIGNIFIED FUNERALS from £695.00 plus disbursements.

We recognise that in this current economic climate the funeral that you want to give your loved one can financially be beyond the funds that you may have available. We can help.

As independent family funeral directors I have the resources to ensure that our £895.00 funeral service will be dignified, with high standards of service and attention to detail, with care, compassion and respect shown at all times.

Our simple cremation service is £695.00 and includes:

Bringing into our care your loved one (within a 20 mile radius of our funeral home).

Assistance, advice and support with the funeral arrangements and documentation .

Care of your loved one in our chapel of rest.

A dignified coffin fully fitted with name plate hand handles.

Using our estate vehicle and four uniformed pall bearers for attendance at the crematorium no funeral service or mourners.

We do have many alternative funeral services available if this service does not meet your requirements please do contact me on our **dedicated 24 hour helpline 01256 881002.**

In addition to any funeral directors costs are the disbursements, these are fees set by the authorities and which we have no control over.

The disbursements payable are:

Crematorium fees from £555.00

Doctors fees for preparation of cremation papers £147.00 if the coroner is involved this fee is not payable

Example of our funeral account

Our Professional fees **£ 695.00**

West Berkshire Crematorium **£ 555.00**

£1250.00

We will prepare a written estimate of our costs and do require full payment prior to the funeral.

We are proud to be members of professional and recognised organisations, and approved by trading standard
